Live An Eagle Life

ABOUT US

The Eagle, a brand name wrapped with sheer nostalgia, is still synonymous with warmth and freshness. No wonder the world has taken a 360' turn after the inception of the company in 1956. Since then, it has been keeping up with the pace of the ever-evolving lifestyle journeys of all Indians.

OUR MILESTONE

1916

EAGLE Vacuum Bottle Company was founded in OSAKA – Japan

1956

Eagle was established with a commercial interest in Vacuum flask, other FMCG and home products.

Eagle Flask, an ISO 9002 certified organization, became the world's largest manufacturer and marketing company of vacuum flasks and was soon a household name in the Flask & Thermoware industry.

1989

Technology Absorption- Shree Rajiv Gandhi, the Prime Minister, launched India's first Unbreakable Stainless-Steel Vacuum Flask 'MONALISA', manufactured by Eagle. This was a landmark in the history of India's potential to produce a consumer durable product based on the latest technology with a qualitative standard that matches all international parameters.

The Prime Minister called this an "Excellent Achievement".

1990

Every 3 seconds an Eagle product is sold somewhere in the world.

1997

FILLING VACUUM IN FOREIGN MARKET: Eagle completed 3 decades of award-winning export performance from the Chemicals & Allied Products Export Promotion Council (CAPEXIL).

The Government of India felicitated Eagle on its consistent contributions to the countries' economic progress for the last 30 years- an unparalleled achievement and tribute to the nation's 50 years of independence.

2000

Eagle USA growth- A booming success story in the USA.

2001

The contemporary Prime Minister, Shri Atal Behari Vajpayee, appreciated Eagle's response towards the Relief fund of Gujarat.

2005

Eagle became one of the world's largest marketing-driven organizations in the field of Vacuum Flask & houseware products.

2021

Eagle went through a re-branding exercise unleashing creativity and innovation by young talents.
